

CUEVAS DEL SUR

“Rosé” – Curicó, Chile

Cuevas del Sur

TECHNICAL NOTES

Sub-region: Curicó Valley

Alcohol: 13.5% by vol.

Varietal: Cabernet Sauvignon, Chardonnay, Pinot Noir

WINEMAKING

Extraction: Traditional pumping over and mixing with liquid nitrogen.

Fermentation: Starts with active dry yeast 25-28°C

Ageing: Wine conserved on its lees for two to 3 months in stainless steel vats before blending and bottling.

TASTING NOTES

Appearance: Sheer ruby with bright orange highlights.

Nose: Intense nose of strawberry and raspberry with a hint of cacao.

In mouth: Pleasant and lively mouth entry. Medium bodied, with well blended tannins in the finish.

SUGGESTED FOOD PAIRINGS

Enjoy this wine as an aperitif or with pastas.
