

PAROLVINI

“Moscato” – Lombardia, Italy

TECHNICAL NOTES

Classification: Indicazione Geografica Tipica (IGT)

Varietal: 100% Moscato

Alcohol: 7.5% by vol.

Sub-region: Casteggio

WINE MAKING PROCESS

The grapes are harvested when the brix is optimal and then crushed. The must is chilled almost to freezing point to keep the fermentation process at a halt until the time is right. Moscato's fermentation process is halted with a lot of natural sugars still left in the wine.

TASTING NOTES

The Parolvin Moscato is fresh and fragrant with bright and floral aromas that give way to flavors of ripe stone fruit, tangerines, and honey. It is concentrated and flavorful, but not overly rich or heavy. It is sweetly balanced.

SUGGESTED FOOD PAIRINGS

Enjoy this wine on its own or as an aperitif, consider pairing with a fresh fruit tart or cheesecake.
