

VILLA MARIN

“Amarone” – Verona, Italy

TECHNICAL NOTES

Alcohol: 16% by Vol.

Varietal: Corvina 60 % Rondinella 30%
Molinara 10 %

Soil: red & brown soil and limestone

WINEMAKING

Harvested by hand at the end of September in 6kg trays. The grapes rest in special rooms where they lose about 40% of their initial weight. The drying of the grapes ends towards the month of January, then age in cask before being put in the bottle for a long period of at least 10 months.

TASTING NOTES

Very aromatic with powerful flavors of ripe berries and plum with notes of licorice and cacao.

SUGGESTED FOOD PAIRINGS

Enjoy this wine with red meat, game and cheese.
