

VILLA D'ADIGE

"Pinot Grigio" – Veneto, Italy

TECHNICAL NOTES

Classification: : Controlled Designation of Origin

Varietal: 100% Pinot Grigio

Alcohol: 12.0% by vol.

Sub-region: Veneto

WINE MAKING PROCESS

Pinot Grigio grapes is an early variety that is harvested at the start of the harvest. Being color-tending to the rosè, it is worked with the technique of soft squeezing, strictly "in white". Low temperature fermentation (64-68°F) and selected yeasts. It does not require aging or seasoning.

TASTING NOTES

Straw yellow color, it has vaguely greenish reflections. The scent is delicate, pleasing but rather intense and sharp. Immediate, characteristic, with hints of acacia flowers. Dry, warm, structured and substantially harmonious flavor.

SUGGESTED FOOD PAIRINGS

Right match with fish grilled and crustaceans in general. Serve fresh at 50-53°F.
