

# VILLA D'ADIGE

"Rosato" – Veneto, Italy

## TECHNICAL NOTES

**Classification:** Typical Geographical Indication

**Alcohol:** 12.0% by vol.

**Sub-region:** Veneto

## WINE MAKING PROCESS

The grapes are pressed in a soft manner, undergo a slight maceration at low temperature. After 12 to 24 hour the must is separated from the skins and fermented very slowly at controlled temperature.

## TASTING NOTES

The wine is a medium intensity rosè, with bright pink shades. The scent is pronounced and persistent, recall wild berries. The taste is dry but well balanced, soft. The finish is dry and fruity.

## SUGGESTED FOOD PAIRINGS

Suitable for hors d'oeuvres, fish dishes and seafood, cheeses, especially if fresh. Great as an aperitif. Serve fresh at a temperature of 50-52°F.
